

Harsh Patel

Student

I am a responsible and smart working young person with a keen interest in Software Developing. Currently pursuing Bachelor's in Computer Engineering 4rd Year Semester 7 at Shri Swami Atmanand Saraswati Institute of Technology and further develop my programming skills and knowledge in practical and demanding environment. Currently I am a frontend Web developer with skills of HTML5 ,CSS, Javascript, React js with some database connectivity using PHP. I have a keen interest in learning new skills from Seniors as well as juniors .My career goal is to contribute my skills for the betterment of technical world that leads to the progress of an organization for whom I work.
